

As the saying goes, “Nurture Nature and Nature will Nurture You”. It is our responsibility as an institution to foster education that aim at conserving our Natural Resources. “Choose Nature, Choose African Institute of Forestry and Wildlife Management”.

I have chosen nature, have you?

VISION:

Our vision is:

A center of excellence in enjoying and sustaining natural resources through research, engagements and teaching in a clean and healthy environment.

MISSION STATEMENTS:

Our mission is to:

- Grow a diverse and dynamic academic populace that values research, creativity and innovations.
- Create and promote a culture that rewards kindness, excellence and accountability to each other, our communities and our natural resources.
- Inspire and support our students, staffs and local communities to achieve their full potential and make valuable contributions to natural resources conservation.

OUR VALUES:

Our values are to:

- ⇒ Inclusiveness
- ⇒ Innovative
- ⇒ Excellence
- ⇒ Integrity
- ⇒ Equity and Inclusion
- ⇒ Sustainability
- ⇒ Accountability

“Research, Engagements and Teaching”
